Surround: The perfect solution to transform your adjustable bed into a contemporary bedframe look.

Bed: A classicy designed bedframe with solid wooden slats that will take the weight of any mattress.

MotorLift Storage: The latest innovation in storage beds resolves the weight and unreliability issues of gas lift bases with a motor.

Upholstery Fabric: A choice of two classic neutral upholstery colour ways, linen or slate grey.

Ten Year Guarantee: Ten year quality guarantee for reinforced frames and high performance mechanisms and construction.

Remote Control: Easily access extra under bed storage with the simple press of a button.
