

TRUEMOTION MOBILE APP SETUP

DOWNLOADING THE TRUEMOTION APP

Open the app store on your phone (Google Play for Android or App Store for Apple)

1. Search for “TRUEMOTION” in the search bar

Select “INSTALL” and wait for it to download and install on your phone.

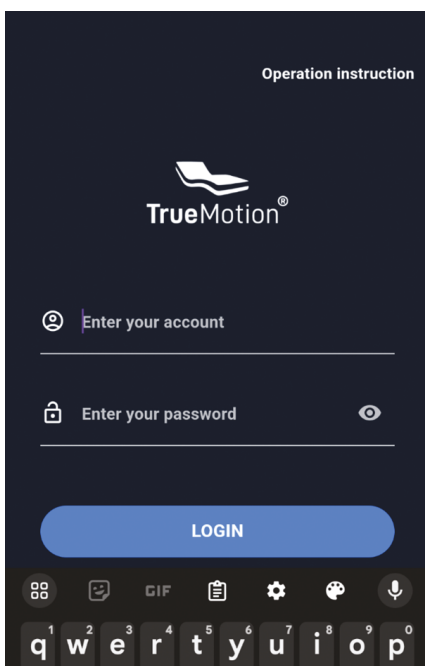

2. Once installed, select OPEN.

It will require you to make an account.

In the top right hand corner you can tap on “OPERATION INSTRUCTION” and it will run through an instructional video that can be paused at any time by tapping the screen.

Once you register an account the video is accessible any time through the “ME” menu in the bottom right corner of the screen.
